

# Community of Christ

## Calgary Congregation

### WELCOME

If you are a guest here today, we warmly welcome you and ask you to please sign our guest book.

Use this time to make the transition between 'getting here' and 'being here'. Relax your body; quiet the inner dialogue of your mind. Be receptive to your centre – your reason, of inner peace, strength, and love. Be aware of being with others. Feel the spirit of community. Recognize sanctuary. Acknowledge God in your being.

This week we commit to view ourselves with loving honesty. Like Jesus in the desert, we are often tempted to use your blessings for our own gain. Help us recognize those times we do so at the expense of others. Grant us strength to see clearly where we are, and the courage to step where you beckon us to go. We commit to nurture your peace in our lives, and uphold the sacredness of your creation.	
Postlude	Bill Tompkins
