

# Community of Christ Calgary

## WELCOME

If you are a guest here today, we warmly welcome you and ask you to please sign our guest book.

Use this time to make the transition between 'getting here' and 'being here'. Relax your body; quiet the inner dialogue of your mind. Be receptive to your centre – your reason, of inner peace, strength, and love. Be aware of being with others. Feel the spirit of community. Recognize sanctuary. Acknowledge God in your being.

## TODAY'S SERVICE

**Presider:** Barbara Cameron  
**Speaker:** Brennan Cartwright  
**Music Leader:** Bill Tompkins

**Meditation:** If God is the ground of being, you worship this divine reality by having the courage to be all that you can be. Your deepest, fullest self. You worship the God who is the ground of being by walking into the unknown, by giving your being away, by valuing the being of others as equal to, and even more precious than your own. To have the courage to be is to move beyond the self-absorbed survival mode to which human life is so deeply attached. It is to live for one another. It is to worship the God who is not a being, but being itself. – John Spong
